WEIGHT RESTRICTIONS ON COUNTY TRUNK HIGHWAYS

The Dodge County Highway Commission has posted a 10-ton weight limit on the following county highways effective today:

CTH WT (STH 28 – CTH AY)

CTH TW (CTH AY – STH 28)

We are beginning to experience damage and pavement failure on these roads due to the spring frost thaw/saturated road bed conditions.

These limits are considered seasonal and will be lifted when it is determined that the frost in the roadways has thawed completely and the road bed has stabilized to support heavy loads.
